- This scramble will take the place of our usual prize contests on June 23. There will be a separate starting-hole chart for June 23.
- **ALL LEAGUE MEMBERS, including those who don't enter the scramble, are encouraged to play golf on June 23 and stay after golf for FREE pizza and beverages at the awards social.**
- League members who have played at least five rounds before June 23 are eligible to play in this scramble.
- Groups of foursomes and threesomes will be created with a random drawing. The handicaps of each golfer through June 16 will be averaged to result in one handicap for the group.
- \$400 in prize money will be awarded to the five groups with the lowest low-net scores. Scroll down to see the summary of the prizes to be awarded at the after-golf awards social.
- After hitting their drives, golfers hit the best ball of the group for remaining shots and putts. Use the group's score for each hole.
- If one member of a foursome doesn't come to play or if the group is a threesome, another golfer in the group would hit a second shot and putt on every hole.
- A list of pairings and starting holes **ONLY** for June 23 will be posted on our website on June 17 and on the chart at the Gazebo.
