Jim Walsh	0	#NUM!			
George Wozar	2	56	59.0		
Alex Zinczenko	1	50	50.0		
AVERAGE				53.8	#DIV/0!

NOTE: At least 3 scores are needed to display a Handicap Index.

MAXIMUM HANDICAP INDEX: 18.200 for men; 20.200 for women

NEW MEMBER HANDICAP UNTIL 3 SCORES: Men - 9.364, Women - 14.918

Important Note: If you have purchased USGA's GHIN handicap calculator, let us know what your GHIN Handicap Index is. The USGA's handicap calculator uses your golf scores from other courses and automatically converts all 9-hole scores into an 18-hole Handicap Index.

If you prefer, the Senior Golf League will divide your 18-hole GHIN Handicap Index by 2 and post it above. We will use that adjusted GHIN Handicap Index to calculate a Twin Woods Course Handicap, which we will use to calculate your net scores for our various competitions.
